

SALSA ON ICE REPORT: 19 November 2018

Weather:

Weather conditions, sunny, winds 13(knots), temperature high -11C

SALSA Drill Team members on ice: Graham Roberts, Dennis Duling, Jonas Kalin and James Roth

SCINI Team members on Ice: Bob Zook, Mark Bowling

- Assisted traverse team with fuel bladders
- Preparations for departure of SCINI team Bob and Mark
- Dennis and Jonas to South Pole for Ice cube inventory
- Continued to track DNF crates, looking for drill computers and discussing contingency plans.

Cargo: DNF Crate to Arrive on Friday

Note: Another fine day in Mcmurdo. Dennis and Jonas departed to the South Pole, while Bob and Mark left the ice. This morning I connected with the Traverse team, and helped move and stage Fuel bladders. James Roth continued working on replacement batteries for our UPS devices.
